

Dacia Sandero Stepway

Introducing Dacia Sandero Stepway

All the style of a Sports Utility Vehicle. All the practicality of a family hatchback. Enjoy the best of both worlds with the new Sandero Stepway crossover.

Its raised ride height gives you a commanding view of the road ahead. Its black wheelarch extensions, side sills and front and rear scuff plates make it every inch a robust SUV. Yet there's a suave and sophisticated side to those rugged good looks: 16" 'Stepway' design wheels, satin chrome roof bars and a choice of four optional stunning metallic colours give Sandero Stepway an assured presence about town.

Off-roader style no longer means off-roader running costs. Sandero Stepway offers a choice of two frugal engines, which blend brisk performance with exceptional fuel efficiency and low CO₂ emissions. Using turbocharging technology, the state-of-the-art TCe 90 petrol engine generates an impressive 90hp from just 3-cylinders, yet achieves 5.4 l/100km*. Or, for ultimate cruising ability, choose the dCi 90 turbo-diesel engine, which achieves 4.0 l/100km* and emits just 105 g/km of CO₂. So, you really can enjoy the best of both worlds.

The Sandero Stepway is a crossover at supermini prices. Choose from two simple versions: the affordable Alternative or the stylish Signature, complete with cruise control, air conditioning and rear parking sensors as standard.

With Dacia, think big, pay little.

*On the combined cycle. Fuel consumption will vary according to driving style

Dacia Sandero Stepway

We believe that affordable shouldn't have to mean compromise.
On quality, services or smiles.
So we've made an enemy of the unnecessary.
Our simple range of cleverly-designed cars uses only useful technology.
Which means you only pay for what you need.

Our prices are clear and transparent.
Because the Dacia way is your way.
Simple. Intelligent.
It's what made us the fastest growing car brand in Europe since 2004.
